Start of Block: Role Selection

Q1 Thank you for participating in an MCG Educational Simulation activity at the Augusta University Interdisciplinary Simulation Center!

As we continue to develop and expand educational simulations at MCG, we would like to hear about your experience. Please complete this short survey to help us improve our programs. Your responses are anonymous and will be used for internal purposes only.

Q30 Please select the date of the simulation(s).

[Calendar entry]

Q31 What was your role in the simulation(s)?

- Session Instructor or Facilitator (1)
- Learner or Participant (2)

End of Block: Role Selection

Start of Block: Instructor

Q32 Overall, how would you rate **your simulation experience**?

- Excellent (1)
 - Good (2)
 - Average (3)
 - Poor (4)
 - Terrible (5)
-

Q33 How would you rate the **level of learner engagement** with the simulation?

- Excellent (1)
- Good (2)
- Average (3)
- Poor (4)
- Terrible (5)

Q34 Upon arrival to the center:

	Yes (1)	No (2)	Not Applicable (3)
The room was set up as requested (1)	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
I could find the equipment that was requested (2)	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
The equipment requested was in working order (3)	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
The technical equipment in the control room was ready to use (e.g., microphone, headphones, computer) (5)	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

Q35 Were you able to **see** everything in the simulation from the debriefing room?

- Yes, I could see everything (1)
 - I could see most things (2)
 - I could not see much (4)
 - No, I could not see anything (5)
 - Not applicable (7)
-

Q36

Were you able to **hear** everything in the simulation from the debriefing room?

- Yes, I could hear everything (1)
 - I could hear most things (2)
 - I could not hear much (3)
 - No, I could not hear anything (4)
 - Not applicable (5)
-

Q37 Were there any technical issues during the case?

- Yes, there were technical issues that affected case (1)
 - Yes, there were technical issues but they did not significantly affect the case (2)
 - No, there were no technical issues (3)
-

Q38 Was the simulation center staff responsive to your requests for help?

- Yes, staff was always responsive (1)
 - Staff was sometimes responsive (2)
 - No, staff was not responsive (3)
 - Not applicable (4)
-

Q39 What is your current department?

- Anesthesia (1)
- Emergency Medicine (2)
- Family Medicine (3)
- Internal Medicine (4)
- OB/GYN (5)
- Pediatrics (6)
- Surgery (7)
- Other (9)

End of Block: Instructor

Start of Block: Learner

Q2 Overall, how would you rate your **simulation experience**?

- Excellent (1)
 - Good (2)
 - Average (3)
 - Poor (4)
 - Terrible (5)
-

Q3 Overall, how would you rate the **level of instruction** you received?

- Excellent (1)
 - Good (2)
 - Average (3)
 - Poor (4)
 - Terrible (5)
-

Q4 How **valuable** was the simulation(s) as an educational experience?

- Extremely valuable (1)
- Very valuable (2)
- Somewhat valuable (3)
- Not very valuable (4)
- Not at all valuable (5)

Q5 Should the simulation activity you participated in be offered again as a part of the curriculum?

- Yes, definitely (1)
 - Maybe, if changes were made (2)
 - No, never again (3)
-

Q6 In which ways did you participate in the simulation(s)? (Please select all that apply.)

- I played the role of an individual participant in the simulation(s) (1)
 - I participated with a group of learners working collaboratively in the simulation(s) (2)
 - I observed the simulation(s) from a debriefing room (3)
 - I participated remotely from a location off-campus (4)
-

Q7 What level of learner are you?

- First-year medical student (1)
 - Second-year medical student (2)
 - Third-year medical student (3)
 - Fourth-year medical student (4)
 - Resident (6)
 - Fellow (7)
 - Faculty member (8)
 - Other (5) _____
-

Q40 With which department was the simulation(s) affiliated?

- Anesthesia (1)
- Emergency Medicine (2)
- Family Medicine (3)
- Internal Medicine (4)
- OB/GYN (5)
- Pediatrics (6)
- Surgery (7)
- Other (9)
- Not Applicable/Unknown (10)

End of Block: Learner

Start of Block: Individual Participation

Q8 Please answer these questions while considering your experience playing an individual role during the simulation(s).

Q9 Did you have a clear understanding of the role you were expected to play?

- Yes, my role was clearly defined (1)
 - I generally understood my role (2)
 - No, I did not understand my role in the simulation (3)
-

Q10 During the simulation, could you find the equipment you needed?

- Yes, I could find everything I needed (1)
 - I could find most of the things I needed (2)
 - I could find some of the things I needed (3)
 - No, I couldn't find anything I needed (4)
-

Q11 How realistic was the simulation scenario?

- Extremely realistic (1)
 - Very realistic (2)
 - Somewhat realistic (3)
 - Not very realistic (4)
 - Not at all realistic (5)
-

Q12 Were there any technical issues during the case?

- Yes, there were technical issues that affected case (1)
- Yes, there were technical issues but they did not significantly affect the case (2)
- No, there were no technical issues (3)

End of Block: Individual Participation

Start of Block: Group Participation

Q13 Please answer these questions while considering your experience as a member of a group of learners participating in the simulation(s) collaboratively.

Q14 Were you able to **see** everything in the simulation from your position in the group?

- Yes, I could see everything (1)
 - I could see most things (2)
 - I could not see much (4)
 - No, I could not see anything (5)
-

Q15

Were you able to **hear** everything in the simulation from your position in the group?

- Yes, I could hear everything (1)
 - I could hear most things (2)
 - I could not hear much (3)
 - No, I could not hear anything (4)
-

Q16 Were the instructions to your group clear?

- Yes (1)
 - Somewhat (2)
 - No (3)
-

Q17 Was everyone in your group able to participate?

- Yes (1)
 - Somewhat (2)
 - No (3)
-

Q18 Were there any technical issues during the case?

- Yes, there were technical issues that affected case (1)
- Yes, there were technical issues but they did not significantly affect the case (2)
- No, there were no technical issues (3)

End of Block: Group Participation

Start of Block: Debrief Viewing

Q19 Please answer these questions while considering your experience viewing the simulation(s) from a debriefing room.

Q20 While watching the simulation from the debriefing room, could you **see** what was happening at the bedside?

- Yes, I could see everything (1)
 - I could see most things (2)
 - I could not see much (3)
 - No, I could not see anything (4)
-

Q21 While watching the simulation from the debriefing room, could you **hear** what was happening at the bedside?

- Yes, I could hear everything (1)
 - I could hear most things (2)
 - I could not hear much (3)
 - No, I could not hear anything (4)
-

Q22 Were there any technical issues while you were viewing the simulation from the debriefing room?

- Yes, there were technical issues that affected my ability to view the case (1)
- Yes, there were technical issues but they did not significantly affect my ability to view the case (2)
- No, there were no technical issues (3)

End of Block: Debrief Viewing

Start of Block: Off-Campus Viewing

Q23 Please answer these questions while considering your experience participating in the simulation(s) from an off-campus location.

Q24 While watching the simulation from your off-campus location, could you **see** what was happening at the bedside?

- Yes, I could see everything (1)
 - I could see most things (2)
 - I could not see much (3)
 - No, I could not see anything (4)
-

Q25 While watching the simulation from your off-campus location, could you **hear** what was happening at the bedside?

- Yes, I could hear everything (1)
 - I could hear most things (2)
 - I could not hear much (3)
 - No, I could not hear anything (4)
-

Q26 Were there any technical issues while you were viewing the simulation from your off-campus location?

- Yes, there were technical issues that affected my ability to view the case (1)
- Yes, there were technical issues but they did not significantly affect my ability to view the case (2)
- No, there were no technical issues (3)
